

## STEP INTO THE LIGHT PHOTOGRAPHY BRIEF

We are asking everyone within the events industry to Stand As ONE and step into the light.

If you have the resources and the ability, we would like you to take a photo of yourself silhouetted by a red light, showing you doing your job in the events industry. This could be a sound engineer at a desk, a rigger abseiling from the ceiling, a makeup artist with a performer or a truck driver in the seat of their cab. This list is endless.

To become part of a collage of images to be used as part of the #WeMakeEvents Global day of action on Wednesday 30th September 2020, you can send your image here <https://www.dropbox.com/request/aDZ53KYUZfakyMmdDygn>

Or share with us via social media using #WeMakeEvents
