

VIDEO RECORDING INSTRUCTION INDIVIDUAL - INDUSTRY

Please step out of the shadows and help alert government that if they do not offer meaningful sector specific support until full capacity events are possible, we will lose the talented companies and skilled freelancers that help entertain us all.

WE WOULD LIKE YOU TO RECORD A VIDEO ANSWERING THESE QUESTIONS:

- Name and job.
- How long have you been in the industry?
- When did your world stop?
- What was your 2020 plan?
- When is your next job booked?
- How have you been coping since lockdown?

Visit <https://www.wemakeevents.com/> to download the MEDIA KIT for our logo and 'sting' animation to add to your video.
